

Highway 427 Expansion

Bulletin #15

Temporary Zenway Closure for Sewer Connections between Highway 50 and Highway 27 in both directions

Hidden in roads are the telecommunication, electricity, gas, and storm/sanitary sewer connections that are critical to our modern lives. Through collaboration with York Region and the City of Vaughan, LINK427 will be connecting sanitary utilities below Zenway Boulevard, over two weekends in June (see below). For more information regarding traffic disruptions and road closures, visit <http://427expansion.ca/traffic-disruptions/>.
